

Amana®

2010 LAUNDRY CATALOG

A man with short grey hair, seen from the back, is looking out a window in a kitchen. The kitchen features a wooden countertop, a stainless steel sink, and a backsplash with colorful geometric tiles. A potted plant with yellow fruit sits on the counter. To the right, a black metal shelf holds various items, and a stainless steel dishwasher is visible under the counter. The text "create a kitchen with an appealing mix of stylish design and smart value" is overlaid in a white, distressed font at the bottom left.

good clean fun

Who says laundry has to be boring? Send those old rules packing and take a fresh approach to cleaning. After all, your clothes are stylish—shouldn't your laundry room reflect your personality, too? Amana brand offers great-looking washers and dryers with no-nonsense features. So, no matter which pair you pick, traditional styling or fashionable front load, your laundry room can go from ho-hum to inspired without blowing your budget.

Laundry

top load pairs

Achieve a look that's tailored to perfection. Laundry pairs with clean lines and convenient features help keep your wardrobe ready to wear.

MODELS SHOWN: NTW4800VQ, NED4800VQ & MVP5000TO

clean shouldn't be complicated

Shown with optional
laundry tower MVP5000TQ

SUPER CAPACITY

The only thing that should be hanging out in your laundry room are your recycling bins. That's why top load laundry pairs are made totally spacious to fit more in every load.

ANTIMICROBIAL COMPONENT PROTECTION

Clean shouldn't be complicated. Antimicrobial component protection is built into the tub ring to resist the growth of stain- and odor-causing bacteria.

AUTOMATIC TEMPERATURE CONTROL

Sensors monitor the flow of incoming water, adjusting as needed to maintain the temperature you selected and keep cleaning consistent.

WRINKLE PREVENT OPTION

Does a wrinkle in time really save you anything? We're not sure, but wrinkles in clothing certainly don't help. This option keeps the dryer tumbling intermittently without heat to keep those pesky creases from setting in.

AUTOMATIC DRYNESS CONTROL

It's all under control. Literally. Sensors monitor temperature and dryness level so you don't have to. Clothes come out dry, but not cooked, for consistently pleasing results from every cycle.

q Is it often a challenge to load and unload your current laundry pair? Do you wrestle with big, bulky items like towels and sheets?

a Stop the struggle with an Amana® top load laundry pair. The washer lid and the side-swing dryer door feature wide openings. You can even reverse the way the dryer door opens for extra convenience.

q Does your current dryer cook your clothes? How often do items come out just a little bit smaller?

a Don't worry, we've got it under control—Automatic Dryness Control. Amana® dryers monitor temperatures so you don't have to. Clothes get the attention they need and come out dry—but not smaller.

MAGNETIC PERSONALITY

Install a metal backsplash behind your washer and dryer and you'll have a handy place to keep all those "found" items you rescue from pockets. Small metal baskets with magnets on the back can be used to hold laundry markers and stain removal sticks.

front load pair

Designed with you in mind. This clever mix of sporty and smart make a charming laundry pair.

MODELS SHOWN: NTW7300WW, NED7300WW & MVP8600TW Organization solutions from Gladiator® GarageWorks by Whirlpool Corporation

make a clean sweep

SUPER CAPACITY

With a 4.0 cu. ft. I.E.C. washer and a 6.7 cu. ft. dryer, there's more than enough capacity to get your clothes up off the floor and back into the drawer.

TOUCH AND GO™ ELECTRONIC CONTROLS

This control panel makes it easy to start a load and get on with your day. Just tap the buttons to choose cycles and options. Plus, a quick glance shows the status of the load.

AUTOMATIC DRYNESS CONTROL

It's all under control. Literally. AutoDry sensors monitor temperature and dryness level so you don't have to. Clothes come out dry, but not cooked.

EVENSPIN VIBRATION CONTROL™

A 5-point suspension system stabilized the wash basket for reduced vibration and noise. Now your washer can go places it never dreamed of—upstairs, downstairs or even near bedrooms.

energystar.gov

ENERGY STAR® QUALIFIED

Money, water and energy. Three things we'd all like to conserve. And now, it's a little easier with an Amana® front load washer. With a CEE Tier III* rating, this washer uses up to 73% less water and 74% less energy. Save up to \$1000 on utility costs over the life of the washer.**

FLEXIBLE CONFIGURATION

It's all up to you. Place this washer next to the dryer or save space in your laundry room with an optional stacking kit. Add some organization with a worksurface, pedestals or laundry tower. (See pages 68-69)

q Can you add an item after your current washer has started the cycle? Do you have to run small loads because you forgot to add a necessary item when the cycle began?

a The add-a-garment option lets you know when it's safe to make last-minute substitutions or additions to the laundry lineup.

q Are you interested in reorganizing your laundry room? Do you have proper storage for all of your laundry essentials?

a Find a place for everything with pedestals, a laundry tower and a worksurface from Laundry 1-2-3™ custom laundry options. These items provide organized storage for everything from detergent boxes or bottles to stain removal products. Select laundry towers offer a retractable hanging rod as well.

NOTE: Not all features available on all models.

*The CEE Tier system is based on the Consortium for Energy Efficiency qualified product listings. **Compared to pre-2004 conventional washers, based on a 10-year life.

HANG OUT

Design your laundry area so that you have a space to hang clothes as they come out of the dryer. Unloading the dryer feels like much less of a chore if you have space to put the clean clothes.

laundry organization

There's no need for laundry day drama. Organize your space with Laundry 1-2-3™ custom laundry options.

a place for everything

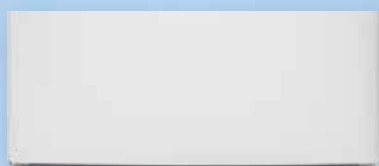

LAUNDRY TOWERS MVP5000TQ & MVP8600TW

A place for everything. Two oversized drawers and a pullout tray keep laundry supplies ready for action. The retractable hanging rod, on select models, provides temporary hanging space.

WORKSURFACE MW29000TW

Sort it all out. A worksurface provides the ideal place for laundry prep tasks like sorting and pretreating as well as a large folding area to wrap it all up.

10" PEDESTAL XHPI000WW

Turn your back on bending and stooping. Add pedestals to your front load laundry pair to make loading and unloading easier.

15.5" PEDESTAL XHPI1550VW

Take laundry organization to new heights with style. After all who couldn't use a place to stash more stuff.

OUT OF SIGHT

Store more than laundry supplies in pedestals or laundry towers. They make ideal hiding places for things like pet food and supplies or even hobby and craft items.

laundry accessories

1. REINFORCED HOSE

- (2) 6' Nylon Hoses with 90° Elbow #8212487RP
- (2) 5' Nylon Hoses #8212545RP
- (2) 5' Red and Blue EPDM Hoses #8212638RP
- (2) 10' Black EPDM Hoses #8212656RP

Nothing but the best for you, and this is certainly better than stainless. Braided with nylon for reinforcement, two industrial strength hoses connect hot and cold water lines to the washer.

2. GAS HOOK-UP KIT #20-48KITRC

Get connected, and start drying. This kit contains everything you need to get your gas dryer going—a stainless gas connector, pipe thread sealant, the proper fitting and a leak test solution.

3. WASHER TRAY #8212526

Protect your floor from scratches and spills. It fits underneath your washer, and includes a drain fitting. After all, it never hurts to be prepared.

4. DRYER VENT INSTALLER KIT #4396013RB

Keep it flowing with safe and efficient metal venting. A 4' vent section attaches to a close elbow, while another attaches to a wall offset. Plus, an extension collar takes it to greater lengths.

5. DRYER VENT CLEANING BRUSH #8212614

Help lower utility bills, reduce drying time and extend the life of your dryer by thoroughly removing lint on a regular basis. Great for dryers with a top-mounted lint screen.

6. DRYER POWER CORDS

- 4', 30 amp, 3-Prong #PT220L
- 4', 30 amp, 4-Prong #PT400L
- 6', 30 amp, 4-Prong #PT600L

Plug and go for top-notch tumbling. These cords safely connect your dryer to an electrical outlet.

7. AFFRESH® WASHER CLEANER #W10135699

Odor-causing residue, mold and mildew stains—not what you want to see in your washer. These tablets help keep your washer clean.

1. Red Alert

The vivid color on the walls contrasts nicely with the neutral floor and white appliances. Red tones are known to add a feeling of energy and strength when used in design. An energetic vibe is an excellent addition to any laundry room.

2. Off the Wall

An unexpected organization tool plays a prominent role in this laundry room. GearWall® Panels and GearTrack® Channels from Gladiator® GarageWorks hold a variety of hooks, shelves and baskets for flexible storage options.

3. Wash Up

This handy laundry sink goes beyond plain and practical. The rough-hewn wood trim provides a rustic element in this space. A shelf below the sink furnishes space for extra soap and towels.

4. R-Value

An organized place for recyclable items is a valuable addition to any household. Gladiator® Storage Bin Holders keep recycle bins up off the floor and ready to go out to the curb on pick-up day.

5. Easy Essentials

Let Laundry 1-2-3™ products like pedestals, a worksurface and a laundry tower make laundry day easier. Storage drawers provide a place for laundry supplies and other items while the worksurface gives you a place to sort, treat and fold.

LAUNDRY GLOSSARY & DIMENSIONS

Antimicrobial Component Protection

Clean shouldn't be complicated. Select components in Amana® top load washers have been treated to resist the growth of stain- and odor-causing bacteria.

Automatic Dryness Control

Monitors drying temperature and dryness level so you don't have to worry about your clothes getting cooked.

Automatic Temperature Control

Senses and adjusts the incoming water temperature for more consistent cleaning.

Clean Washer Cycle

Make a clean sweep. Use the Clean Washer cycle monthly to help remove detergent residue from inside the washer. Just add a cup of bleach—or for a deeper clean, Affresh® washer cleaner—to make your washer sparkle.

Deluxe Dual Action Agitator

Rolls clothing through the bottom of the wash basket for a thorough, even cleaning.

Drum Light

Improve the view. This light helps you see everything clearly as you load and unload.

EvenSpin Vibration Control™

A 5-point suspension system stabilized the wash basket for reduced vibration and noise. Now your washer can go places it never dreamed of—upstairs, downstairs or even near bedrooms.

Touch and Go™ Electronic Controls with Cycle Indicator Lights

This control panel makes it easy to start a load and get on with your day. Just tap the buttons to choose cycles and options. Plus, a quick glance shows the status of the load.

End-of-Cycle Signal

You'll hear the end of it. A signal lets you know when the cycle is complete.

ENERGY STAR® Qualified

Save water. Save energy. Save money. Help save the planet. ENERGY STAR® qualified washers use less water and energy and that puts more spending money in your pocket.

Extra Rinse Option

Rinses soil and detergent thoroughly from clothes, minimizing irritation for those with sensitive skin.

Stainless Steel Wash Basket

Resists scratches and rust to help prevent the staining of clothes.

Super Capacity

Clean and dry more clothes in fewer loads, meaning less time spent in the laundry room.

Variable Water Levels

Wash smaller loads without guilt. Variable water levels reduce water waste by matching water level to load size.

White Porcelain Wash Basket

A smooth porcelain surface resists scratches and odors.

Wide-Opening, Reversible-Swing Door

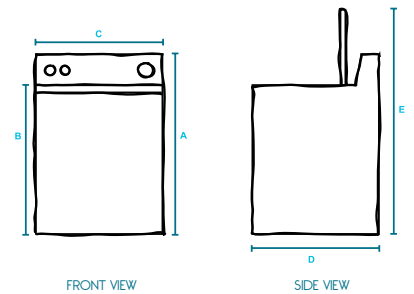

Quickly and conveniently load and unload clothes. Reversible doors create added installation versatility.

Wrinkle Prevent Option

Put a stop to wrinkles. An extended tumbling time helps prevent dry clothes from developing those pesky creases.
